Continued use of the T2T Network after T2T Network posts a revised privacy policy signifies the Visitor's acceptance of the revised privacy policy. Visitors are encouraged to review this Privacy Policy prior to providing any Personally-identifiable Information to T2T Network.

Personal Information:

T2T Network typically receives specific data about Visitors only when such information is provided voluntarily, such as when Visitors register for the use of T2T Network, participate in blogs or forums, request information, purchase or enroll for services, provide resume information for employment opportunities, fill in a contact inquiry, send us e-mail, participate in Travel Adventure Group; National/International Home Exchange; Teacher Exchange; Book Discussion Forum; Career Postings; Resume/CV Posting; Resource Libraries with Media Conferences & Seminars; Personal/Group Network Blogs; Open-Source Education; Educational Technology Discounts & Free Stuff; The Water Cooler; Professor Share; Plan2Share or any other interactive service provided by T2T Network where website visitor are prompted to provide specific data ("Personally-identifiable Information"). When you, as the Visitor, provide Personally-identifiable Information to T2T Network, it will be used to fulfill your specific request. In most cases, you will be given the opportunity to select whether you do, or do not, want T2T Network to use Personally-identifiable Information for additional purposes. Visitors may contact T2T Network directly by using the "Contact US" link to provide specific instructions regarding use of Personally-identifiable Information that is provided by the Visitor.

T2T Network reserves the right, in its sole discretion, to send you important information about your T2T Network services. Absent any instructions from you, T2T Network may use Personally-identifiable Information to inform you about additional services and products offered by the T2T Network family of products and services whose offerings might be of interest to you. T2T Network will not, however, sell or trade your Personally-identifiable Information unless T2T Network is authorized or legally required to do so, or in the case of imminent physical harm to the visitor or others. On those T2T Network sites where you may provide T2T Network with credit card or other ordering information via the web, T2T Network protects and secures this information by employing commercially customary web-based security and encryption protocols, and using the services of a widely used credit card payment processing company. Visitors hereby waive all claims against T2TNetwork resulting from failure of above mentioned commercially customary web-based security and encryption protocols, or any claims resulting from the use of the widely used credit card payment processing company. Information provided

by Visitors that is devoid of personal information, including voluntary feedback, comments, questions, blog responses and posts, or any information that is publicly available, or available to all users ("Public Information") shall be treated by T2T Network as non-confidential, and nonproprietary, and not personal, except as otherwise expressed in this privacy statement. T2T Network assumes no obligation to protect Public Information from disclosure. T2T Network's obligations to protect information provided by Visitors is limited to the terms provided in this Privacy Policy, and T2T Network does not have an obligation beyond the terms herein to protect Visitor Personally-identifiable Information.

T2T Network does not knowingly collect or solicit Personally-identifiable Information from anyone under the age of 13 or knowingly allow such persons to register. If you are under 13, please do not attempt to register for T2T Network or send any information, whether Personally-identifiable Information, Generic Information, or otherwise, about yourself to T2T Network, including your name, address, telephone number, or email address.

Public Information:

In general, T2T Network automatically gathers generic information which may include information about the Internet address assigned to your computer, the number and frequency of Visitors, which links were clicked by any Visitor, and any other information gathered in the normal course of business of operating a website ("Generic Information"). Generic Information does not reveal the identity of the Visitor. T2T Network gathers this information for the limited purpose of determining customer service and website needs, as well as how to best improve T2T Network in order to provide high quality services to Visitors. We accomplish this by using certain generally available technologies, including "cookies" (a technology that can be used for authenticating, session tracking, and maintaining Generic Information). T2T Network does not combine information collected in this way with any Personally-identifiable Information. Visitors may receive notifications every time you receive a cookie, however, notification and/or disabling cookies within your Internet browser may reduce functionality of certain T2T Network features.
